Music Programs

Tuesday Slow Pitch Workshop

Director, Larry Stephenson, and CHCA member, Jane Stephenson, lead 2 - 10 week terms of introductory acoustic jamming. Participants learn to play/sing musical favourites at a slower tempo. The environment is supportive and nurturing, with an emphasis on fun and the joy of music.

Wednesday Intermediate Acoustic Jam

Director Diane Jewell leads these weekly jam sessions that are open to musicians that are ready to play/sing songs at a regular tempo. Sessions operate on a drop in format. A core nucleus of members provides a solid base. Once again, the emphasis is on the enjoyment of music and sharing with others.
